

Elizabeth Township Park Board
Meeting Minutes for May 2, 2013

In Attendance: Tom Moyer, Reed Means, Steve Garman, Rita Snavelly, Rodney May, Curtis Strasheim, and Ken Fillo.

Representing the public: Dave Snavelly.

The meeting was called to order at 7:05 p.m.

The minutes of the previous meeting were accepted with one correction.

Travel baseball is currently using the fields at the park. The rest rooms were opened for the Season.

Glenn will get mulch for the park next week.

The local soccer clubs are not using the fields at this time due to recent reseeding of the fields.

The township is looking for volunteers to help with mulching of the park. This will take place on Saturday, May 4th. We have 3 wheel barrows available. It was asked if there are any people who have community service requirements that might be available to help out.

The Supervisors had received a request from a model rocket club to use the park. The request was denied.

Old business:

Screening of rest rooms doors:

There was a discussion regarding installing a false roof over the rest rooms with a porch roof that would screen the door openings. It was estimated that it would take about a day by a volunteer. A material list would be needed for the project. Lowe's might be able to donate materials.

Roll Down screens for the pavilion:

There are both electrically and manually operated versions available. Most of the group thought that gray screens would be appropriate. Curt talked with Steve Sawyer, the Ephrata Township manager, who would be willing to meet for a demonstration (they have brown screens). It was estimated that the cost would be in the \$1800-\$2000 range.

9 rentals of the pavilion are currently on the schedule.

At the end of July, Lititz Soccer will hold it's Summer Showcase Tournament. It is possible that they may want to use our fields instead of the fields at the Linear Park. They supply Porta-Potties, Dumpsters, First aid, and concessions. Dave Snavelly responded that he didn't believe that the Brickerville Fire Company would want to do the Concessions for the event.

Rita will be out of town the week of June 26th.

There was a motion to cancel the July meeting since the meeting date falls on the 4th. The motion was passed. The next meeting will be held on Thursday, September 5th.

There was a discussion regarding the hanging of banners on the fences of the baseball field by supporters of the traveling baseball team. The group did not ask for permission to hang the banners and the banners partially blocked the view of the field. Rodney May asked if the board would look into the policies in place by some of the other area municipalities regarding selling of advertising space on or around fields.

The meeting adjourned at 7:58 p.m.

Submitted by Ken Fillo, recording secretary.
