

Elizabeth Township Park Board
Meeting Minutes for Thursday, September 3rd, 2015

In Attendance: Lisa Rothermel, Reed Means, Steve Garman, Rita Snavelly, Rodney May, Maria Tivoli, and Ken Fillo.

*The meeting was called to order at 7:04 p.m.
The minutes of the previous meeting were approved as written.*

*Glenn Martin and Rodney May met with John Johns the Township's Insurance company representative to discuss upgrading the playground equipment at the township building to meet the current standards.
It doesn't appear that we will need to replace all the equipment.*

The Keener Road park roadways and parking areas were repaved and restriped.

Weed killer was applied to the fields by our vendor, today.

The swale adjacent to baseball field #1 was a river during the recent heavy rains, but it dried out quickly. So it appears that the underground piping is working.

It was noted that a group of about 18 people regularly use the baseball field from 7 p.m. to sunset. They are not one of the organized groups who schedule usage thru Maria's office. These are basically "pick-up games". But the field is being used.

Maria is in the process of sending out surveys to determine usage, needs and desired programs for the Lititz Springs pool. She noted that there are only 5 regular users from the Township.

Glenn got quotes for sealing the basketball courts. He will present the figures at the next Supervisors meeting.

There was a discussion about adding amenities to the park, which mostly centered about sand volleyball courts. It was noted that sand courts do attract "sand wasps" and, as such, require more maintenance than grass courts. Some other items mentioned were horseshoe and/or quoit pits, bocce ball courts, Frisbee golf and/ or new and trending, soccer golf.

The meeting adjourned at 7:32 p.m.

The next meeting will be held on Thursday, November 5th, 2015 at 7 p.m.

Submitted by Ken Fillo, Recording Secretary
