ROAD SUPERINTENDENT REPORT

Road Superintendent, Glenn L. Martin, submitted a report for May 2023 as follows: Shoulder mowing and weed eating; cleaned road edges and swept roads and patched areas before oil and chip projects; hauled millings on Elser Hill Road. Guiderails around the Twp were sprayed for weeds. Maintenance was mostly routine items. Took delivery of 2024 Western Star dump truck May 31st. Trimmed trees and mulched the playground at Penn/Elm Park. Miscellaneous items for discussion include advertising the 1994 International truck, button steps at the Community Park playground, signs for age-group use. Martin also noted he would like to have safety toe work boots changed to work boots. Steel toe boots are not comfortable, and they rubbed holes in socks. Martin had some clothing damaged by battery acid on pants and boots when he was using the cut-off (?) saw. The BOS noted that the budget allowed for replacement pieces for Martin.

UNFINISHED BUSINESS

NEW BUSINESS:

SPOTTED LANTERN FLY (SLF) SPRAYING – The Board discussed the need to spray the maple trees at the Community Park for SLF. Per Penn State Extension Service, the infestation will be as bad this year as it was last year. In years past, Township resident Mike Miller (Critter Catcher) has provided the service. Miller and Martin will secure additional quotes for comparison.

PUBLIC PARTICIPATION

Township Resident, Barry Lieberman, of Mayberry Drive, inquired regarding the possibility of the Township hosting an E-waste recycling event at the Twp Bldg. Miller will investigate this in conjunction with LCSWMA and report back to the Board.

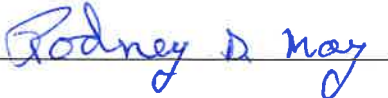

May noted there should be a sign posted at the Penn Elm Park with Township Park Rules. He also said that the ceiling of the Pavilion at the Township Park on rt 322 will be sand blasted within the week. He thanked Ken Fillo for power washing the Pavilion at the Penn Elm Park recently. There was a discussion re: dead trees along various rights of way in the Township. Martin will work on a list, contact home owners and then coordinate with a tree-trimming company to trim or cut down these nuisance trees.
