Rodney May reported that about 80 people attended the Music in the Park event which was relocated to the Fire Hall due to the weather. The Lions club's food truck was on-site and many people used it like a drive thru restaurant. Lititz Towing made a \$1000 donation for the 2025 Music in the Park events. David Miller associates donated \$1000 for the 2025 event. Lititz Towing is willing to donate an amount TBA for the cost of a band in 2025. Rodney asked if anyone had knowledge of the Hammer creek blues band, to see if they might be a possible band for 2025.

Little League: There is still no signed agreement between the league and the Township. There still is the issue regarding who will pay for the diamondtex for the fields.

There was a discussion about the parking issue. It was suggested that we investigate some sort of barrier, bollards, cones or curb bumpers to prevent people from parking near the basket of hole 9 of the disc golf course.

Pickleball: People were using the court at the time of the meeting. Pete Parsil sent a reply to the letter requesting information regarding usage. He did suggest that a porta- potty be kept on site for those times when the building is closed. The TeamReach app has 50 members who use the app to schedule games.

Funding: The Township received \$10,000 as a "Fee in-lieu of" dedication of parkland.

Ken provided the usage data for the disc golf course. August total 204, YTD, 1,425. All time 7,190.

Next meeting: November 7th, 2024. The meeting was adjourned at 7:50 p.m.

Respectfully Submitted by Ken Fillo.
